

Organise and share your data faster with RESEARCH DATA SUPPORT

Helping you make your data more findable, accessible, understandable and citeable.

Your institution now offers Research Data Support to help you organise, share, and get credit for your data faster. Submitting your dataset is simple and straightforward:

Contact your local administrator to request a prepaid token

Visit our submission system: <https://goo.gl/gqVA2c>

Upload your files through our secure figshare portal

In the 'Agreement to pay' field, select 'I have a token code' and enter it in the space provided (illustration at right)

Submit

Our team will be in touch to confirm your submission

SPRINGER NATURE Research Data Support

Your local administrator:
